Indecomm Digital Announces Appointment of Michael Sutcliff to Board of Directors

Highlights:

- Michael Sutcliff appointed independent director
- Sutcliff brings extensive experience in building large-scale outsourcing businesses
- Sutcliff's experience complements the existing expertise on Indecomm Digital's Board

Scottsdale, Arizona – June 10, 2020 – Indecomm Digital Services, Inc. ("Indecomm Digital"), a global leader in next-gen product engineering and digital experience services, today announced the appointment of Michael ("Mike") Sutcliff as an independent director to its Board of Directors.

Mr. Sutcliff joins the Indecomm Digital Board with over three decades of experience in technology, consulting, and outsourcing thought leadership. Through his wide-ranging professional experiences, Sutcliff has a proven record in driving rapid growth and business transformation.

"We are excited to welcome Mike to our Board of Directors at this important stage of Indecomm Digital's evolution," said **Venu Raghavan, Co-Founder & CEO, Indecomm Digital**. "Mike's experience and versatility bring great strength to our business. His counsel and perspective will be significant as we continue to execute our strategy of bringing highly differentiated services to the market and drive accelerated growth."

"Mike is an experienced executive and highly-regarded leader with demonstrated capability in large-scale technology and operational transformation," said **Viraj Sawhney, Board Member, Indecomm Digital**. "His experience will complement the expertise represented on Indecomm Digital's Board and will help guide the future growth of the company."

Sutcliff is currently the Co-Founder of Cherish Health, a pioneer in healthcare solutions with advanced sensors and artificial intelligence combined with medical evidence and human touch. Prior to that, he was the Group Chief Executive Officer of Accenture Digital and a member of Accenture's Global Management Committee.

"I am delighted to join Indecomm Digital's Board and collaborate with my fellow Board members and the executive leadership team," commented **Mike Sutcliff**. "As market demand increases for innovative technology solutions, I look forward to providing my insights and experience to help the company grow."
